

WELCOME TO ART CLASS

With Mrs. Muncaster

Meet the Teacher!

Hello every one! My Name is Mrs. Allison Muncaster. I am originally from St. Louis Missouri and currently live in Crosby North Dakota with my husband John and my cat Garry. I have been teaching in Divide County for the past four years and offer a variety of art classes including, 7th and 8th grade art, Art I/II/III/VI, Painting I/II, Photography, Sculpture, Drawing I/II, and Digital Design.

My goal as an art teacher is to create a safe and welcoming environment where all students can develop a passion for creativity and foster a love for the arts. By providing a supportive and encouraging environment, my mission is to help each student find their unique artistic voice and develop their skills. I believe that art has the power to not only enhance self-expression but also build confidence in each student's abilities to obtain success in life. By emphasizing the importance of experimentation and self-expression, I hope to encourage a sense of confidence and pride in their artistic abilities. Ultimately, my goal is to cultivate a lifelong appreciation for the arts and empower all of my students to use their creativity as a tool for personal growth and self-discovery.

My Education

I graduated from Minot State University in 2020 with a bachelor's of science in Education with a major in art.

I am currently pursuing a masters of education with a concentration in art as well as a concentration in curriculum and instruction.
